

How to Submit a Claim for Dependent Care Accounts

We offer three easy ways for you to access your Dependent Care Account funds. For fastest results, submit your claim and documentation online at mybenefitwallet.com or using the BenefitWallet Mobile App.

For Dependent Care Accounts, you may only receive reimbursements for services already incurred. An expense is incurred when a service is received, not when a bill is paid. Even though your service provider may require payment at the beginning of the service period, you cannot request reimbursement until after the service is provided.

 on the Dependent Care Account Claim and Provider Documentation Form (included in this document).
- Submit Claim and Documentation: Log into your online account at <u>mybenefitw allet.com</u>. Follow the instructions
